Creator	BxFxPy
Type	Multimedia Franchise
Installments	1[1)] [1)] Only one installment is in active development: Monopole Mary and the Search for Epsteinium
Release	Unknown
Status	In active development

Monopole Mary is an upcoming multimedia franchise created by the artist bxfxpy which chronicles the adventures of the titular character monopole_mary. The franchise is planned to have a debut webcomic monopole_mary_and_the_search_for_epsteinium illustrated and written by BxFxPy.

Origin

The series started out as an inside joke between BxFxPy and his colleagues and eventually became its current state after many days of pondering and development by BxFx.

Characters

- monopole_mary is the titular protagonist of the franchise, a mentally ill luck-driven woman who

seeks, above all sane means, to find the truth.
- dipole_david is the deuteragonist of the franchise, the main proprietor to Mary's goals, and seeks, eventually, to get with her through his everlasting support.
- The Boss
- Zorro Lab Guards
- Zorro Lab Scientists
- Zorro Lab automated task Automatons
- Einsteinium Super Soldiers
- Jeffery Epstein

Plot

The plot starts in Monopole Mary and the Search for Epsteinium in which the main characters Mary and Dave catch their first lead in their year-long search for the infamous sex trafficker Jeffery Epstein, after doing a patrol of his derelict property in New Mexico formerly known as Zorro Ranch.
