Mun Twitter

Started	2022
Status	Dead meme

Mun Twitter is a dead meme gif that originated from the Tenor user SuneMun. It was found and posted in Cumball by Lo-Fi Playlist where it was posted and laughed at for a few months before it became stale. The GIF still exists today, but is less harder to find than it used to be.[1)]

This dead meme serves as the namesake of both this wiki and the previous Mun Twitter Wiki hosted on Wikia/Fandom until it was taken down for inactivity. The information present in that wiki serves as a source for some of the information in this wiki especially on pages about Discord groups and Discord users who are no longer active or do not want to give truthful information for use in the wiki.

Origin

The Tenor GIF was uploaded on 9/28/2021 at 11:50 PM by SuneMun with the description “a cartoon girl with pink hair is laughing with the words mun twitter written below her”. It's a GIF of a Miss Kobayashi's Dragon Maid scene from Season 1, Episode 12 where the characters Tohru and Miss Kobayashi drunkenly laugh together with the caption “Mun Twitter” below it in white text[2)]. The GIF is theorized to be a reaction GIF to SuneMun's Twitter posts, although no Twitter user by the name of SuneMun exists presently.

1)
Usually typing in “mun twitter” into Tenor's search box or Discord's GIF search would make it appear immediately, but this is no longer the case.

2)
The font used appears to be Nexa Black, a paid font from the foundry Fontfabric released in 2012. There are free fonts that look similar like Montserrat Extra-bold 800, but that font lacks the extra height of Nexa's capitals and the angled slices on the tops of and the sides of some lowercase letters that would make it look near-identical. It looks convincing at a distance and is still considered for the MTW logo font if problems emerge with the use of the current font.
