Server Repurposed	June 22, 2021
Server Abandoned	<unknown>
Owner	jester, Jester Jones
Server ID	<unknown>
Population	2131 peak(?)
Demonym	<unknown>
Type	Discord anarchy server
Spin-offs	2009cord, Jester Chat Archive, more

JesterJones' Homeless Shelter, commonly abbreviated as JJHS was a Discord anarchy server created by the former YouTuber and streamer Jester Jones.

The server was home to many degenerates and some of the most infamous and/or beloved LARPs and Cumball members who were also in Cumball or joined before or after JJHS was repurposed as a notification server by Jester before it was ultimately abandoned in conjunction with his YouTube channel.
