Status Dead meme

Mun Twitter is a dead meme gif that originated from the Tenor user SuneMun. It was found and posted in [Cumball](#) by Lo-Fi Playlist where it was posted and laughed at for a few months before it became stale. The GIF still exists today, but is less harder to find than it used to be.¹⁾

Origin

The Tenor GIF was uploaded on 9/28/2021 at 11:50 PM by SuneMun with the description “a cartoon girl with pink hair is laughing with the words mun twitter written below her”. It's a GIF of a Miss Kobayashi's Dragon Maid scene where the character Tohru drunkenly laughs with a drunken Miss Kobayashi with the caption “Mun Twitter” below it in white text²⁾. The GIF is theorized to be a reaction GIF to SuneMun's Twitter posts, although no Twitter user by the name of SuneMun exists presently.

¹⁾

Usually typing in “mun twitter” into Tenor's search box or Discord's GIF search would make it appear immediately, but this is no longer the case.
