muntwitter.wiki is the official planned successor to the present Mun Twitter Wiki hosted on [cab](#)'s personal website [cunny.taxi](#). This migration will mainly be made because [cab](#) would like to use the website for things other than the wiki, and due to the fact that links to pages are longer than usual to account for the fact that [cunny.taxi](#) is used for more than just the wiki. With the change to the [muntwitter.wiki](#) domain, [cab](#) hopes to resolve the link problem and separate Mun Twitter Wiki from what happens on [cunny.taxi](#) (In the future, links to pages will be shorter and the link in total would make more sense. For example: [cunny.taxi/wiki/cumball](#) would be [muntwitter.wiki/cumball](#))

This migration is planned to be clean and retain all the information, plugins, users, avatars, and other media present in the current wiki, and there is also a plan to back up the wiki before any migration takes place, however, during the backup, nobody will be able to make changes to the wiki until the backup is finished. For a period of a week or two, all [cunny.taxi/wiki](#) links will redirect to [muntwitter.wiki](#) and then eventually be replaced with a placeholder page that directs users to [muntwitter.wiki](#) ¹⁾

¹⁾
Although this change may not be necessary due to the lack of users of the wiki.
