Tasty banana

Squeeze the peel

It comes in denim

Squeeze the banana

Put banana in my mouth

The stupid banana song from Donkey 64

I don't know what you're referencing stupid

No one understands your memes

Because they're dumb

They are for dumb children mouth droolers you fucking morons

NEVER GIVE UP

IT COMES IN DENIM

IT COMES IN DENIM

IT COMES IN DENIM

What do bananas have to do with denim?

I'm up here *deep snort*

You're down here *short snort*

I can't hear you

You're below me

Because I'm not on your level
